Criminal Justice (Criminal Investigation) (Justicia Criminal – Investigación Criminal)

The Bachelor of Arts Degree in Criminal Justice focuses on criminal investigation. The Program’s modern curriculum adjusts the knowledge, theory and techniques of the field of Criminal Justice to the demands of a dynamic and changing society. The curriculum is inter-disciplinary with branches of knowledge related to human behavior. The Program permits students to acquire personal and professional skills in accord with their interests and aptitudes. It also stresses the importance of the adequate development of attitudes and characteristics of the student’s personality, while emphasizing knowledge of the causes and spread of crime, the methods and modern techniques of criminal justice, crime prevention and rehabilitation. The Program is designed to: 1) prepare the student to occupy positions at the operational level in the field of the criminal justice system, both in the private and public sector, 2) upgrade the preparation of personnel offering services in these areas, 3) stimulate students to pursue graduate studies, and 4) permit students to put into practice the theoretical knowledge acquired in their studies through an internship experience in their area of major. All course requirements for a major in penology and criminal justice must be passed with a minimum grade of C.

Students who are candidates for the Internship must meet the requirements established by the University for this Program. They must complete or provide the following: Internship application; Satisfactory Criminal Background investigation; Proof of immunizations; General Release; Official transcript of credits; satisfactory official evaluation of the Registrar; Three letters of recommendation; Four pictures 2X2; and a letter from the coordinator of the Program to the Registrar.

In addition, students must meet the requirements stipulated by the practice center.
