

Inter American University of Puerto Rico

Orlando Cyber Center

Management (**Administración de Empresas**)

This Program is designed to provide the student with the principles, concepts and practices of management. Its aim is the integrated study of the main management roles of planning, organization, leadership and control. The knowledge of these management roles, concepts and practices enables the development of the necessary skills for business success.

The requirements for the Bachelor in Business Administration Degree in Management include the following: (1) 48 general education credits; (2) 35 core course credits, (3) 21 major credits; (4) 6 prescribed distributive (elective concentration) credits; and (5) 11 elective credits, all as set forth in detail on the next page. Students must pass all courses required in the major with a minimum grade of C.
