Master's Degree in Business Administration (MBA)

(Maestría en Administración de Empresas)

The curriculum for the Master's Degree in Business Administration aims to provide a broad base and a solid preparation in management and organization of business activities. In addition, the Program gives students an opportunity to specialize in one of the many functional areas of this discipline. The core courses required of all students stresses the general principles and training applicable to all organizations. They cover a wide spectrum of disciplines such as decision theory, management processes, application of quantitative analysis to management problems, contributions of the behavioral sciences to functional areas of business management, and relations of business organizations to socio-economic and political environments.

Students interested in pursuing the General Program must approve, in addition to the core courses in Business Administration; eighteen (18) credits from the other specialization courses or the elective courses from the Graduate Program in Business Administration, International Business Administration, Labor Relations, Electronic Commerce or from other related programs with the approval of their academic advisor. Classes are primarily taught in Spanish; therefore, proficiency in the Spanish language is required.

Admission Requirements

In addition to fulfilling the general admission requirements for master's degree studies set forth above, candidates desiring to enter this Program must meet the following requirements:

1. Have a grade point index of 2.50 or above in the last sixty credit hours of academic work (at the undergraduate level or a combination of undergraduate and graduate credits in case the applicant already has a graduate degree from a recognized university.)
2. Present the results of one of the following tests taken within the five year period preceding the date of requested admission: a. Graduate Record Exam (GRE); b. Miller Analogy Test (MAT); c. Examen de Admisión a Estudios de Posgrado (EXADEP); and d. Graduate Management Admission Test (GMAT).
3. Demonstrate, through an examination or other appropriate means as determined by the academic department or division, the ability to interpret professional material, both in Spanish and English, and the ability to express themselves correctly in writing in one of these languages.
4. Request an evaluation of their transcript by a specialized agency (e.g., WES) if their bachelor's degree or equivalent from a university of recognized standing uses a grading system different from that used in this University.
5. Present evidence of having passed the following courses at the Bachelor's level with a minimum grade of "C":
 - i. Economics (Micro and Macro) 6 credits
 - ii. Statistics (descriptive and inferential) 6 credits
 - iii. Accounting I and II 6-8 credits
