

Operations Management (B.B.A.)

Operations Management is an area of significant importance in business. The aim of this Program is to provide the student with the knowledge for an effective application of production factors in manufacturing and service activities. Students must pass all courses required in the major with a minimum grade of "C".

The requirements for the Bachelor in Business Administration Degree in Operations Management include the following: (1) 48 general education credits; (2) 41 core course credits, (3) 21 major credits; (4) 6 prescribed distributive (elective concentration) credits; and (5) 6 elective credits, all as set forth in detail on the next page.

Program is authorized to be offered online.
